Mr. N. M. Nakhawa, Advocate, for the Company.

AWARD

The above Industrial Dispute between the above parties is regarding the alleged dismissal of the above workman by the employer Company. It has been referred to me for arbitration under Sec. 10 A, I. D. Act, 1947 in pursuance of an agreement between the parties, by the Administrator of Goa, Daman, Diu, Panjim. The Govt. Notification of 11 June 1986 with the said agreement has been published in the Goa Govt. Gazette of 19th June 1986, Series II, No. 12, at page 176.

2. I, therefore, issued Notices to the representing Union and the Company to file their Statement of Claim and Written Statement, respectively, on the dates mentioned in

the Notices. After taking adjournment, the workman filed his statement of claim dated 17-7-86 with a list of documents he desired to rely upon. The Company filed its written statement dated 21st November 1986 with several documents and their list.

3. The workman alleged as follows. He joined the Company as Driver Class I, on 1st. November 1981 but the appointment letter was issued to him on 10-3-83. He took charge of the barge, 'Pragati', on or about 2-4-85 along with log sheets Nos. 76/14 and 81/19. On checking the log sheets, he found the book balance of 3310 litres of H. S. D. instead of 4260 litres and this error was brought to the notice of the Manager, Fleet Operation. On 10-4-85, Capt. P. R. J. Singh, Shri K. Shinde and V. Verlekar checked the diesel oil of the barge at berth No. 9 in his and crew's presence and found difference in the oil in the two tanks as per the book balance.

4. The workman, inter alia, further alleged as follows. As a result of the alleged difference, he was served with a show cause Notice of 10-4-85 by Capt. Singh requesting him to show cause within 24 hours as to why disciplinary action should not be taken against him for the alleged concealment of misappropriation of 1000 litres of diesel oil and for falsifying the official record. The Notice was received by him some time between 11th and 15th April 1985 and he denied the allegations against him by his reply of 16th April 85. Yet he was served with a Charge-sheet alleging that on 10-4-85, the physical sounding showed a total of 1,250 litres of diesel oil and not 1,160 litres of oil as shown in the log sheet. The Charge-sheet further stated that he had shown a consumption of 300 litres of oil, instead of 40 litres of oil for a trip to Cortalim and he had thus committed misconduct of theft, fraud and grave dishonesty in connection with the employer's business and property. The misconduct alleged against him was, that he had committed acts subversive to good order and discipline, that his reply of 16-4-85 was not satisfactory and that he had been suspended with immediate effect. In the Charge-sheet he was asked to attend the domestic inquiry on 24-4-85 at 11.00 a.m. before the Enquiry Officer, Shri Nagarsenkar.

5. The workman further alleged as follows. He gave his written statement by his letter of 9th May 1985 and requested the Managing Director to withdraw the suspension order and the Charge-sheet. But he was thereafter served with a Notice and Reports of the Findings of the Enquiry Officer of 2-9-85 and he was directed to show cause why his service should not be terminated.

6. The workman further alleged as follows. There was no material to justify the conclusion, that he was guilty of the alleged misconduct. The findings of the Enquiry Officer are perverse and liable to be set aside as they have been based on irrelevant and extraneous matter. None of the members of the crew have deposed against him and the Enquiry Officer has not considered the evidence of Messrs. Texeiro, Gaude, Barua, Dapholkar and Honavarkar. Thus the findings are perverse and the Management has wrongly concurred with them. The order of termination of his service, is, therefore, illegal, null and void and is liable to be set aside.

7. The workman made the following allegations also. He is a prominent and active executive member of the action Committee of the United Bargemens' Association. Due to these trade Union activities the Management offered him Rs 15,000/- by way of mutual settlement in addition to his legal dues for resigning from the service. He refused to comply with its suggestion and hence the Company has terminated his services and this action of the Company is nothing but his victimization and an unfair labour practice. The charge has not been proved against him and the termination of his service may be declared to be illegal, null and void and he may be reinstated with full back wages and other fit and proper reliefs.

8. By its written statement, the Company, inter alia, raised the following contentions. The dispute raised is an individual and not an industrial dispute as the workman did not first raise the dispute regarding his termination of service by any letter of demand served on the Management. The dispute has also not been espoused by the employees of the Company. The arbitration is, therefore, not proper and the Arbitrator has no power and jurisdiction to proceed in the matter.

9. The Company further raised the following contentions. As a Driver the workman was responsible for properly operating the main engines and for maintaining account of H. S. D., and lubricating oil. But he was not sincere in the performance

of his duties. The oil pilfered from the tanks of the barge was transferred to a fishing vessel with the help of a hosepipe. The crew members could not make any complaint as they were tempted with a share in the wrongful gain. The Company, therefore, asked Capt. Singh to have a surprise check of the actual stock in the tanks of the barge and the entries in the log-sheet. He, therefore, made a surprise check on 10-4-85 and found that the records had been tampered with. He also found that the Driver showed a consumption of 300 litres of diesel oil for a voyage from berth No. 9 to Cortalim though it actually consumes only 40 litres of d. oil. On his report of this, the Company issued the charge-sheet dated 18-4-85 to the effect, that the Driver had committed theft, fraud and dishonesty in connection with the Company's business and property. The Driver submitted his explanation of 16-4-85 but it was found to be unsatisfactory.

10. The Company also raised the following contentions. The Enquiry Officer has made a legal and valid inquiry into the Charges and has given his report on the soundings on 21-8-85. He has given his findings and report of 31-8-85 stating that the charges were proved beyond doubt. The Driver's explanation against the proposed punishment of his dismissal from service was found unsatisfactory and hence he was dismissed from service of the Company with effect from 23-9-85 by its letter of that date. The Enquiry Officer has observed the principles of natural justice in the conduct of the inquiry and has given to him full and fair opportunity to defend himself and to rebut the charges levelled against him. The findings of the E. O. are based on the evidence and documents on record and the Driver's allegation, that they are illegal and perverse, has not been substantiated. The action of the Company in dismissing the workman on the basis of the findings of the E. O. regarding the Charges is just, proper and proportionate. The Company will be able to prove the charges independently even by additional evidence before the Arbitrator. The allegation of victimization is baseless.

11. The Company further raised the following contentions. The workman was never offered Rs. 15,000/- for settlement of the dispute by tendering his resignation from Company's service. The Driver was not dismissed for his refusal to comply with the Company's suggestion as alleged. He has been dismissed from service for his misconduct of theft which has been proved beyond doubt. The act of misconduct of the workman is such that the Company can no longer repose any confidence in him as he had been resorting to illegal activities. The workman is now engaged in gainful employment and is working for the U. B. Association at Vasco-Da-Gama from which he is receiving regular payments. The reference for the several reliefs prayed for, therefore, deserves to be rejected in-to-to.

12. At the hearing of the reference at Panjim on 25-11-86, the workman's Advocates, the Union Representatives, Shri Mohan Rao and Shri Joseph, the workman, (Shri G. Anthony), and the Company's Advocate, Shri Navelkar were present. Shri Navelkar, Advocate, contended on behalf of the Company, that the dispute is not an industrial dispute as it was never a subject-matter of a Demand of the workman made by him and served on the Company. The Union, however, requested for time to file its Rejoinder to the W. S. of the Company. The request was granted and the Union has filed the Rejoinder of 4-12-86. The Company has filed its sub-rejoinder in that respect which is dated 23rd Dec. 86. The parties raised their contentions regarding my jurisdiction to proceed in this matter. The Company contended that though it was a party to the agreement to refer the dispute to me for arbitration, the dispute cannot be said to be an industrial dispute for the reasons detailed in its W. S. The parties were heard on the preliminary issue as to whether the dispute is an industrial dispute in the sitting at P. D'Mello Bhavan, Bombay-38, on 26-12-86. Having regard to the contentions and arguments of both the parties, I came to the conclusion, and found, that the dispute is an Industrial Dispute and adjourned the case for further hearing to 10th Jan. 87, at Co.'s office, Bombay.

13. There was a hearing of the arbitration at Company's Office at Nirmal, Bombay-21, on 10th Jan., '87 but it was adjourned several times thereafter at the request of the parties. The reference was fixed for hearing at the Union's Hall, Carnac Bunder, Bombay-38, on 30-4-'87 after service of Notices on the parties. The workman, Mr. Gabriel Anthony, his Advocate Shri Shirodkar, Shri T. M. Sanghavi, the Managing Director of the Company and his Advocate, Shri N. M. Nakhawa, were present before me for arbitration of the industrial dispute. The question referred to me for my arbitration is, whether the Domestic Inquiry concerning the Charges levelled against Shri G. Anthony, Driver, Grade I,

employed on a vessel owned by the Meecon Pvt. Ltd. has been fair and whether full opportunity has been given to the workman for his defence and whether the punishment of his dismissal from service is fair and justified. My finding and Order in that respect is stated in the last paragraph, (Order); for the following reasons.

14. Before I took up the dispute for recording evidence, the parties and their Advocates expressed their sincere and keen desire to try to settle the matter by mutual negotiation and thus to come to a mutual agreement which would be fair, just and acceptable to both the parties. I was happy to know that and gave them some time to do that. After mutual talks and negotiations between the parties assisted by their Advocates, they arrived at a settlement and reduced it to a written two-page agreement. They produced it before me. The settlement, inter alia, provided for payment of Rs. 50,000/- by way of monetary benefit to be given to the workman by the Company in full and final settlement of all his claims and reliefs including that of reinstatement with full back wages and continuity of service. It is thus clear that the workman has accepted the Domestic Inquiry to be fair, just and legal and accepted the dismissal to be termination of service which is proper. It is fair and just as the Company has agreed to pay to the workman Rs. 50,000/- only, (Rs. Fifty Thousand), in addition to other legal dues, which may be payable, but inclusive of Retrenchment compensation and Gratuity. The said settlement was read over and explained to the parties by me. They admitted that they have voluntarily arrived at the said settlement and the terms agreed upon have been truly and correctly recorded. I, therefore, directed the parties to put their signatures on it, which they did in my presence. Their Advocates also have signed for them. I find that the settlement is fair, legal and proper and so I record the same as a full and final settlement of the dispute and make the following Award in terms of the settlement accepted by the parties before me as fair and just.

Order

In pursuance of the settlement between the parties signed and executed before me by the parties, I make this Award giving the following directions. The Employer, M/s. Meecon Pvt. Ltd., shall pay Rs. 50,000/- only, (Rs. Fifty Thousand), to Mr. Gabriel Anthony, who shall, as agreed, accept the said sum of money in full and final settlement of all his claims including that of his Re-instatement, with full back wages and continuity of service, which has, in effect, been given up and it is treated as retrenchment of service from that day. The payment of the said sum of Rs. 50,000/- to the workman shall be in addition to legal dues, if any, towards leave wages, bonus for the year 1984-85 and the Provident Fund amount kept in the Joint Savings Account with the Bank payable for the period of service and it shall be inclusive of Gratuity and retrenchment compensation.

I, therefore, dispose of the reference and forward it for publication to the Government of Goa, Daman, Diu at Panjim, as required by Sec. 17, I. D. Act, 1947, with three (3) extra copies of this award. The parties shall bear their costs.
